BETWEEN MOVING TRAINS

Maysville Boy Has Miraculous Escape From Death Yesterday

Yesterday morning an eight-year-old son of Elias Gill, who resides in the far East end of the Sixth Ward, was trudging his way in a path between the North and South tracks of the C. and O. railroad, and when near the Sixth Ward Schoolhouse he was overtaken by two trains traveling in opposite directions—an East bound freight and a West going passenger train.

The suction caused by the rapidly moving trains threw the little fellow off his feet and rolled him along the ground. The engineer in the cab of the passenger train saw the child drop and took it for granted that he had been hit by one or the other of the trains. He immediately came to a stop and ran his train back to find the boy all right with the exception of slight bruises, and naturally nearly frightened to death by his mishap and peculiar experience.

Have you ever noticed the terrible suction that follows in the wake of one of the C. and O.'s fast flyers?

At the monthly meeting of the Board of Education Monday night, the curriculum of the High School was changed to meet the college requirements.

After reviewing the matter thoroughly with the Superintendent it was found that no radical changes were necessary. In accordance with the Committee's request the Superintendent then prepared and submitted a draft of the revised course which was transmitted to the following colleges for approval:

State College, Lexington, Ky.
Kentucky University, Lexington, Ky.
Centre College, Danville, Ky.
Ohio State University, Columbus, Ohio.
Miami University, Oxford, Ohio.
Ohio Wesleyan University, Delaware, Ohio.
University of Cincinnati, Cincinnati, Ohio.
University of Chicago, Chicago, Ill.
Cornell, University, Ithaca, N. Y.
Yale College, New Haven, Conn.

Personal letters were received from the Presidents on Entrance Requirements of the above Colleges approving the course submitted and expressing their willingness, in case the course was adopted, of placing the Maysville High School on their accredited lists.

Mr. R. A. Cochran, Chairman of the Committee on Curriculum, stated to the Board that

his committee, had instructed Superintendent Clinger to investigate the matter of curriculum fully and report to the committee the changes necessary to insure entrance of the graduates of the Maysville High School, not only in the Colleges of the state, but in the leading Colleges of the country as well.

On motion of Mr. Cochran the course was adopted.

The Superintendent was further instructed by the committee to take the steps necessary to having the Maysville High School placed on the accredited list of the above Colleges and any others where our graduates might desire to matriculate.

This action places the Maysville High School abreast of the times in educational matters and upon an equal footing with the most advanced High Schools of the country.

When the new High School Building is completed a new era will dawn for the children of Maysville.

All the teachers reported their pupils doing good work. Some of the rooms were shown to be overcrowded, but that difficulty will be promptly remedied. One of the teachers is instructing sixty-six children. The total enrollment is much larger than ever before.

The sum of \$471.25 has been collected as tuition from non-resident pupils the present term and more is expected before the first of the year.

Mrs. E. L. Willett and children are home from a visit to Mr. John Cullen and family at Flemingsburg.

TUMORS CONQUERED

Overwhelming Proof that Lydia E. Pinkham's Vegetable Compound Succeeds.

Dear Mrs. Pinkham:—

"I was told by my physician that I had a fibroid tumor and that I would have to be operated upon, I wrote to you for advice, which I followed carefully and took Lydia E. Pinkham's Vegetable Compound. I am not only cured of the tumor but other female troubles and can do all my own work after eight years of suffering."

Mrs. S. J. Barber, of Scott, N. Y., writes:

Dear Mrs. Pinkham:—

"Sometimes ago I wrote to you for advice about a tumor which the doctors thought would have to be removed. Instead I took Lydia E. Pinkham's Vegetable Compound and to-day am a well woman."

Mrs. M. M. Funk, Vandergrift, Pa., writes:

Dear Mrs. Pinkham:—

"I had a tumor and Lydia E. Pinkham's Vegetable Compound removed it for me after two doctors had given me up. I was sick four years before I began to take the Compound. I now recommend Lydia E. Pinkham's Vegetable Compound far and near."

Such testimony as above is convincing evidence that Lydia E. Pinkham's Vegetable Compound stands without a peer as a remedy for Tumor Growths as well as other distressing ills of women, and such symptoms as Bearing-down Sensations, Displacements, Irregularities and Backache, etc. Women should remember that it is Lydia E. Pinkham's Vegetable Compound that is curing so many women. Don't forget to insist upon it when some druggist asks you to accept something else which he calls 'just as good.'

Mrs. F. E. Hayes, of 26 Ruggles St., Boston, Mass., writes:

Dear Mrs. Pinkham:—

"I have been under different doctors' treatment for a long time without relief. They told me I had a fibroid tumor, my abdomen was swollen and I suffered with great pain. I wrote to you for advice, you replied and I followed your directions carefully and today I am a well woman. Lydia E. Pinkham's Vegetable Compound expelled the tumor and strengthened my whole system."

Mrs. Perry Byers, of Mt. Pleasant, Iowa, writes:

Women suffering from any form of female weakness are invited to write Mrs. Pinkham, Lynn, Mass., for advice. She is the Mrs. Pinkham who has been advising sick women free of charge for more than twenty years, and before that she assisted her mother-in-law, Lydia E. Pinkham in advising. Thus she is especially well qualified to guide sick women back to health.

This is a trying time of the year. Many discomforts arise from the heat. The best way to be comfortable is by bathing often, at least twice daily, and by using a liberal quantity of talcum powder. By bathing often one keeps the skin clean and the pores open, thereby allowing the entire body to "breathe freely," which means perfect health.

The best soap to use for the bath and toilet is Picard's Complexion Soap, a non-injurious, healthful soap.

Talcum powder keeps the skin cool, allays heat rash, stops chafing and is an excellent toilet requisite. We have a number of kinds.

The river continues so low at Pittsburgh that the packets are unable to do any business.

WANTED Every Man, Woman and Child in Maysville

To call at our store for the greatest strength creator and health restorer which we have ever sold—Vinol. It is not a patent medicine, but the most valuable cod liver preparation made by an extractive and concentrating process from fresh cod's livers without a drop of oil to nauseate and upset the stomach and retard its work, and tonic iron which is a natural constituent for the blood added.

We do not believe there is a person in this vicinity who cannot be benefited by Vinol at this season of the year. Vinol is delicious to the taste, and it is recognized as the greatest strength creator for old people, weak, sickly women and children, nursing mothers, and after a severe sickness.

Vinol is unequalled for backing coughs, chronic colds, bronchitis and all throat and lung troubles. Creates an appetite and makes those who are too thin, fat, rosy and healthy.

We have had so much experience with Vinol and seen so many wonderful results from its use that we offer to return money without question if it does not accomplish all we claim for it. J. C. Pecor, Druggist, Maysville, Ky.

Ever have itching piles?
Not sick enough to go to bed; not well enough to be content.

The constant itching sensation.
Spoils your temper, nearly drives you crazy.
You can have relief and cure if you will follow the advice of a local citizen.

Mrs. S. F. Tolle, of 117 Short street, Maysville, Ky., says:

"Before I used Doan's Ointment, in March, 1900, I had suffered for a long while with itching hemorrhoids. I had tried persistently to rid myself of the trouble but without success, and anybody who has known the tortures of this complaint will understand what I suffered. Doan's Ointment cured me, as stated in a testimonial given at that time. During the five years past I have had no return of the trouble. It required only one box to bring this gratifying result. I have used Doan's Ointment for other purposes and find that it is a specific for skin troubles and all itching diseases."

"Oral by all dealers. Price 50 cents a box; Foster-Milburn Co., Buffalo, N.Y., sole agents for the United States."

Remember the name—Doan's—and take me ther."

REDUCTION IN FARES

Soon to Go into Effect and Will Be Universal, Tis Reported.

World-wide will be the reductions in passenger fares, which the Central Passenger Association will put into effect next month, according to an announcement made in Portsmouth Monday. The new tariffs will be based on the two-cent fare laws enacted during the past two years in Ohio, Indiana, Illinois, Nebraska, Wisconsin, Michigan, Minnesota and Pennsylvania.

The reduction is world-wide, because ocean fares are based on the railroad fare to coast towns. Fares to Canada, Mexico, South America and to points in Europe will be lower on account of the new rates.

All of the Central Passenger Association Lines have agreed to put their fares into effect at the same time and the effect will be revolutionizing.
